Subject: Occidental (KSD007482029) Report on Sodium Dichromate Spill

Lisa, I reviewed the additional information (map and table dated March 2, 2016) I had requested from you. I have attached it to the original report dated January 5, 2016. With the table and map I find the report complete for my purposes, and I have no further requests for information at this time. Thank you.
